CMA-ES training progress, n=20, training seed 123 (per-stage reward; panels not comparable)
Stage 1: walk upwind (wind on)
Best efficiency in generation (higher = better)
Generation
plain_seed123
saved genome: gen 92, eff 211.1
Stage 2: save battery, avoid all
Best efficiency in generation (higher = better)
Generation
plain_seed123
saved genome: gen 115, eff 351.3
